Summer 2026

US TEST PREP

SSAT I SAT

Unlock the gateway to a US education pathway through our series of US test preparation courses specifically tailored to address distinct formats and assessment criteria of American examinations. Equipped with our exclusive test and course materials, along with comprehensive analysis and expert guidance from ARCH specialists, you will be fully prepared to excel in your US test to unlock the pathway to the schools and universities of your choice.

SAT and SSAT (Upper) Drilling Course (Ages 12 -17)

The courses are designed for students who aim for taking the tests in Fall 2026. Our exclusive tests combine both our academic expertise and experiences that enabled students to succeed in past seasons. Our instructors will review daily test performances of students and impart knowledge and techniques that will empower students when they sit their actual exams.

	Daily Mocks	Learning Objectives
