ARCH Celebrates Decade of Success!

Co-founders of ARCH Education
Ms. Jennifer Ma & Ms. Jennifer Yu

Founded in 2009 by Oxbridge and Ivy League graduates, ARCH Education is a leading educational institute based in Hong Kong. ARCH's mission is to bridge the education gap through delivering transformational programs and providing expert guidance on international education. Through this combined approach, we equip students for their future educational and career goals. ARCH's global team of admissions consultants provide comprehensive guidance to students applying to top boarding schools and universities in the UK, the US & HK.

WHAT WE OFFER

ARCH's global team of admissions consultants provides comprehensive guidance to students applying to top boarding schools and universities in the United Kingdom, the United States and Hong Kong. We offer an array of enrichment programs for students ages 7-18 to enhance their skills in critical thinking, public speaking, debate, reading and writing. Our Academic Center for Excellence offers academic programs to help students develop a stronger foundation and provides a platform to advance students' learning through passion projects and training for competitions.
