

UK & US ADMISSIONS CONSULTATION

**YOUR PATH TO TOP BOARDING SCHOOLS,
UNIVERSITIES & POSTGRADUATE PROGRAMS**

INTRODUCTION

The next step in your education could be at one of the world's best boarding schools, universities, or postgraduate programs.

But if you're like many students and families, you may find that successfully preparing and completing competitive applications can feel like a long and overwhelming process.

Luckily, you don't have to do this alone. ARCH Education has helped students since 2009, guiding them every step of the way!

ABOUT ARCH EDUCATION

ARCH Education is a Hong Kong-based educational institute on a mission to help students bridge their educational gaps and pave their unique paths to primary and secondary schools, universities, and future careers!

We provide a wide range of educational offerings, including skill-based enrichment courses, academic enhancements, exam preparation, and admissions guidance for boarding schools and universities in the UK and US.

We are proud to be helping students from Hong Kong and around the world – the UK, the US, Mainland China, Singapore, Australia, and more – find their direction, fulfil their potential, and build their confidence to make their educational dreams a reality!

WHY YOU SHOULD CHOOSE ARCH EDUCATION

Oxbridge and Ivy League Admissions Consultants

We speak from experience and with expertise. All of our admissions consultants are graduates from top UK and US boarding schools and universities, including Oxbridge and the Ivy League. By working with ARCH, you ensure the advice you receive comes from someone who has achieved the results you want.

Consistent Track Record of Top UK and US Admissions Results

We help our students aim high. Having worked with thousands of students since founding ARCH in 2009, we're proud to say that our students have consistently gained admission offers and achieved success at top ranking UK and US boarding schools, universities, and postgraduate programs.

Global Support and Convenience

We have a team of admissions consultants spanning three locations - Hong Kong, the UK, and the US. This way we can meet with you, develop your application strategy, and answer your questions at a convenient time, no matter your location.

Individualized Support Throughout the Application Process

We have more time than your school counselor to focus on your education goals. With ongoing guidance, we make time to get to know you, your family, your aspirations, and where our team can provide you with the most value on your path to a top UK or US boarding school, university or postgraduate program.

In-House Test Prep and Academic Subject Specialists

We have some of the best UK and US test prep tutors and academic subject specialists across international curriculums (IB, (I)GCSE, A-Levels, AP, and more). With everything on-site or online, we ensure our tutors can help you conveniently and effectively prepare for school assignments, end of term exams, and standardized entrance tests for boarding schools and universities.

Experts in Multi-Region Applications

We know how to help you successfully apply to universities in multiple regions. If, for example, you're looking to apply to both UK and US universities, our admissions consulting teams can work together to provide you with a holistic service that helps you stay on top of competing application requirements and deadlines.

- Uppingham School
- Wellington College
- Westminster School
- Winchester College
- Woldingham School
- Wycombe Abbey School

"I find ARCH extremely helpful in terms of exam preparation and admissions to top UK boarding schools. I got offers from all the boarding schools I applied to. I have learnt so much from my tutors as they are very well-informed about the UK curriculum and are able to deliver the lessons in a very concise and structured manner."

K.C., Cheltenham Ladies' College

"We are tremendously grateful to everyone at ARCH who contributed to our son's academic and personal development. ARCH made a strong commitment to close communication so that the learning plan could be constantly reviewed and shaped to be effective. As parents, we were overjoyed to see the positive changes in our son, from his cognitive ability to interview skills, personality and interests."

- London School of Economics (LSE)
- University College London (UCL)
- Durham University
- King's College London (KCL)
- University of Warwick
- University of Bristol
- University of Edinburgh

ARCH was really useful in supporting my application to The University of Cambridge for Natural Sciences. My tutor helped a lot with my interview preparation, in particular, helping me hone my skills in problem solving which I applied to my Cambridge interviews. ARCH also provided me with valuable feedback on my personal statement drafts which were very useful.

V.Y., University of Cambridge (Natural Sciences)

"My consultant has given me a lot of support and advice throughout the whole process, from initial aptitude test preparation to selecting my university choice and interview preparation. Every preparation session was very useful. I think the interview preparation was particularly helpful because the questions asked in the real interview are very similar to mock interviews, and I gained more confidence from practicing."

I.N., Offers from Imperial College London & University of Hong Kong (Medicine)

POPULAR SUBJECTS*

"It was really helpful to have a reminder of when things are due and to have ARCH there to push me along at a good pace with my essays. I really like how the team spent so much time to brainstorm essay ideas with me. I felt really supported and well prepared when the deadlines came around. I also love how ARCH encouraged me to have my own voice, and helped me to bring out the best version of that voice."

Y.C., Harvard University

"The ARCH counselors taught me about the ins-and-outs of the process and supported me so that I would be able to keep up with the deadlines and goals I had set for myself. Other than helping me with the whole process, talking to them in our meetings put me at ease in times of stress because they had really taken the effort to get to know who I am as a person. I'm really grateful for all their guidance!"

D.N., Columbia University

"ARCH's admissions counseling is unlike that of any other provider. It is tailor-made to each and every individual. The speed and versatility provided by the US team is of extreme efficiency. Beyond personal statements, the UK counseling's strength lies in preparation for interview. Given the interview myth that surrounds Oxbridge interviews, ARCH gives one an idea of interviews, and more importantly, guidelines for preparation."

W.C., Yale & Oxford (Biochemistry)

"The advice my consultant gave me was very specific and helpful including the subjects to take at school, the curriculum I was doing, the courses I intended on applying or had applied for. My parents and I have learnt a lot about the application process, what college life is like in the UK and other valuable information that were never taught in school with regards to university counselling."

**K.W.,
University of Cambridge
(Land Economy)**

"My consultant has provided insightful advice on my university choices and UCAS application. The preparation experience has been very useful and enriching. Not only have I brushed up on interviewing skills for my interview, I have also learnt a lot from the tutors through exchanging ideas about biomedical sciences."

**R.L.,
Imperial College London
(Medical Biosciences)**

"Overall, ARCH has been very helpful to me in the application process. My consultant assisted me to discover the strengths in my application and develops strategies to further strengthen these key areas; the essay brainstorm sessions were also productive and engaging. I can't thank ARCH enough!"

**J.Z.,
University of Pennsylvania**

"ARCH's consultants helped me to enhance my personal statement and profile. I am certain that I was presented in the best light possible with the help of my tutors. After several months of consultation, my final essay and application profile are incomparable to the originals."

**S.C.,
Offers from Cornell University
& London School of Economics
(International Relations)**

"Having applied to US, UK and HK universities, I found ARCH to be a great help in preparing me for all my competitive yet very different university admissions processes. They have a strong team of tutors who are experienced and supportive. I have received offers from top schools I applied to. The tutors gave me valuable advice on SATs and application writing skills."

**M.N.,
Brown University**

"ARCH helped me identify my strengths, interests, hobbies and encouraged me to develop them into solid extracurricular activities. They provided a lot of guidance. They especially helped me to understand the interview mentality, which encouraged me to self-reflect on my experiences, achievements and how I wanted to present myself."
